

3005 Breckinridge Boulevard Suite 200 Duluth, GA 30097 (770) 806-4242

I would like to take this opportunity to personally thank you for the trust you placed in Becton Schantz when you made your initial decision to implement our products or utilize our services. I am extremely proud of my staff. They have consistently gone the extra mile to assist you, and will continue to provide the same level of quality work you have come to expect from Becton Schantz.

Over the past several months, I have had the opportunity to work with AFS Technologies, which has recently led to their purchase of Becton Schantz. By becoming part of AFS Technologies, I believe that Becton Schantz will be able to provide even better products and services. I am also excited by the opportunity to accomplish an objective which I have been passionate about for years—the electronic communication of information across the supply chain.

As you will see in the attached announcement, AFS Technologies offers some additional solutions which we will be integrating into our solutions, too.

Your continued work with existing Becton Schantz personnel will be augmented by the AFS team!

Thank you again for your initial selection of Becton Schantz, and your ongoing support.

Sincerely,

*Marc A. Schantz*
